11. The first of these is the fact that the  
theology of the time was not a  
theology of the church, but a  
theology of the state. The church  
was not the center of the universe,  
but the state was. The church was  
the servant of the state, and the

1. The first thing I should mention is that the weather was very nice today. We went for a walk in the park and saw many beautiful flowers. The children were very happy and played for hours. We also had a picnic under a big tree. The food was delicious and everyone enjoyed it. We spent a very pleasant day and it was a great experience. I hope to go back soon.
